

## Different Ways to Start Talking About My Work

I was challenged by this work because .....

I am very proud of this because .....

I am pleased that I put significant effort into .....

This is not my best work, but I could have improved it by .....

I can see evidence of growth towards my goal because .....

I still need to work on .....

I have improved ...

I got “stuck” working on this task when .....

I got “unstuck” by .....

My (writing/reading/spelling/mathematical thinking/scientific thinking) has changed by .....

At the beginning of the year I did not know .....

I think you will be impressed with this work because .....

One way I will try to improve my ..... is .....
