

Hi _____

Welcome to Student Led Conferences. Today I will be sharing with you some of my learning over the past year in Grade 5.

After you have listened to my VoiceThread, you will be able to ask me any questions you have about my learning.

The great thing about VoiceThread is that you can watch it again at anytime, and we can share it with other members of our family if we want to. It is also possible for you to record comments on any of these pages too.

I would really like you to record some comments about what you see and hear today. I can show you how to add your identity and record a comment later at home.

So sit back, watch, listen and enjoy my learning I'm sharing with you today.
